- 16. Fiscal Funding:** This Contract is subject to and conditioned upon the availability and appropriation of federal and/or state funds; and no liability or obligation for payment will develop between the parties until the Contract has been approved by required authorities of the Department; and, if Contract exceeds \$2,000, the Division of Administration, Office of State Procurement.

The continuation of this Contract is contingent upon the appropriation of funds from the Legislature to fulfill the requirements of the contract. If the Legislature fails to appropriate sufficient monies to provide for the continuation of the contract, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the Contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

- 17. State and Federal Funding Requirements:** Contractor shall comply with all applicable requirements of state or federal laws or regulations relating to Contractor's receipt of state or federal funds under this contract.

If Contractor is a "subrecipient" of federal funds under this contract, as defined in 2 CFR Part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards), Contractor shall comply with all applicable requirements of 2 CFR Part 200, including but not limited to the following:

- 18. Amendments:** Any alteration, variation, modification, or waiver of provisions of this Contract shall be valid only when reduced to writing, as an amendment duly signed, and approved by required authorities of the Department; and, if the Contract exceeds \$5,000, by the Division of Administration, Office of State Procurement. Budget revisions approved by both parties in cost reimbursement contracts do not require an amendment if the revision only involves the realignment of monies between originally approved cost categories.

- 19. Non-Infringement:** Contractor will warrant all materials, products, and/or services produced hereunder will not infringe upon or violate any patent, copyright, trade secret, or other proprietary right of any third party. Contractor has the responsibility to submit to the Contract Monitor an inventory list of equipment items when acquired under the Contract and any additions to the listing as they occur. Contractor will submit an updated, complete inventory list on a quarterly basis to the Contract Monitor. Contractor agrees that upon termination of the contracted services, the equipment purchased under this Contract reverts to the Department. Contractor agrees to deliver any such equipment to the Department within thirty (30) days of termination of services.

- 21. Indemnity:** Contractor agrees to protect, indemnify, and hold harmless the State of Louisiana and the Department from all claims for damages, costs, expenses, and attorney fees arising in Contract or tort from this Contract or from any acts or omissions of Contractor's agents, subcontractors, employees, officers, or clients, including, but not limited to, premises liability and any claim based on any theory of strict liability. This provision does not apply to actions or omissions for which La. R.S. 40:1237.1, et seq. provides malpractice coverage to Contractor, nor claims related to treatment and performance of evaluations of persons when such persons cause harm to third parties (La. Other Remedies: If the Contractor fails to perform in accordance with the terms and conditions of this Contract, or if any lien or claim for damages, penalties, cost and the like is asserted by or against the State, then, upon notice to the Contractor, the State may pursue all remedies available to it at law or equity, including retaining monies from amounts due the Contractor and proceeding against any surety of the Contractor.
- 26. Governing Law:** This Contract shall be governed by and interpreted in accordance with the laws of the State of Louisiana, including but not limited to La. R.S. 39:1551-1736; rules and regulations; executive orders; standard terms and conditions, and specifications listed in the Request for Proposals (RFP), if applicable; and this contract.

Contractor hereby attests to its current and/or prospective compliance, and agrees to provide its seven-digit LDR Account Number to the Department so that Contractor's tax payment compliance status may be verified. Contractor further acknowledges understanding that issuance of a tax clearance certificate by the Louisiana Department of Revenue is a necessary precondition to the approval and effectiveness of this Contract by the Office of State Procurement. The Department reserves the right to withdraw its consent to this Contract without penalty and proceed with alternate arrangements should Contractor fail to resolve any identified apparent outstanding tax compliance discrepancies with the Louisiana Department of Revenue within seven (7) business days of such notification.
- 31. Termination for Cause:** The Department may terminate this Contract for cause based upon the failure of Contractor to comply with the terms and/or conditions of the contract; provided that the Department shall give Contractor written notice specifying Contractor's failure.
