4. The neighborhood context of the structure and the overall effect demolition will have on the area.

The residential structure fronts N. Villere St. and is bounded by Saint Anthony St., Annette St., and Urquhart St. in the New Marigny Historic District. The zoning district is HMR-2, Historic Marigny/Tremé/Bywater Residential, which “is intended to protect existing residential development and to maintain a desirable character of such development within the historic Marigny/Tremé/Bywater areas. . . . The proposed use is a vacant lot to be maintained bi-monthly.
