1	Jim Ashbee	No Regular 09. a. LEGISLATIVE GROUPING - HDLC APPEAL - OF RICHARD F. CORTIZAS, JONES WALKER ON BEHALF OF PETER A. WILSON AND ROSALIND WILSON	Oppose	<p>Dear council members,</p> <p>I urge you to deny the demolition of this original home in the Garden District. This demolition would set a dangerous precedent. If one contributing historic home can be removed, it opens the door for others to follow. Over time, those decisions could slowly erode the very character that makes the Garden District so special and worthy of protection. These protections exist for a reason and that is to ensure that short term interests do not permanently damage irreplaceable homes.</p> <p>I respectfully ask you to protect the integrity of the Garden District and deny this demolition request. Thank you for your time and consideration. Jim Ashbee 2618 St Charles Ave</p>
2	Annie Moran	No Regular 23.00AL. NO. 35,117 - BY: COUNCILMEMBERS MORRELL, MORENO, HARRIS AND KING	Info only	<p>I appreciate that the council is concerned with the adequacy and fairness of the procurement of professional contracts in Sanitation Service area 5. It is however unfair to the citizens of New Orleans that the council has not made use of EPA SWIFIA grant funds available to the city which would help to improve sanitation services for all service areas and intends to let this funding expire. To allow these funds to expire and to make excuses for why the programs to be funded by this GRANTED money would not work, are not only irresponsible, but also suspicious. This is an opportunity to help make our city cleaner, more sustainable, and healthier without requiring any additional appropriations and to actually save the City funds by reducing the fees the City pays to send waste to the landfill.</p>
