III. USE OF THE LAND

3.1 Lessee is granted the right during the Term of this Lease to the exclusive use the Leased Premises but shall maintain a full width servitude for all private and public utilities, especially for the Sewerage and Water Board of New Orleans (“SWBNO”) and Entergy.

3.2 No permanent structures are to be built on the leased premises. If a fence is to be installed, SWBNO shall be provided full ingress/egress at all times and access for maintenance, repairs and/or replacement of the existing utilities and drainage. SWB will not be responsible for replacement of the features constructed above the servitude.

3.3 Any construction on the leased premises is limited to “temporary” structures or improvements, which may include surface parking/landscaping. SWBNO will not be responsible for replacement of any improvements constructed above the servitude should their removal or damage be occasioned by the need to perform any repairs or replacements to SWBNO infrastructure within the Leased Premises.

3.4 Lessee will ensure that SWBNO maintenance crews will have access to the servitude should maintenance, repairs, or replacements be required. The Lessor will provide anticipated work dates when they become available.

3.5 At all times during the Primary Term and any renewal terms of this Lease, Lessee shall keep and maintain the Leased Premises or temporary improvements in good repair and condition, solely at Lessee’s own cost and expense.

3.6 Lessee expressly assumes one hundred percent (100%) of the financial obligations

associated with the construction, maintenance, and timely removal of any temporary improvements, as set forth in this Lease. In the event Lessee is unable to perform its obligations and City chooses, at its option, to perform Lessee's obligations, Lessee shall be obligated to immediately reimburse the City for any expenses the City incurs as a result of Lessee's failure to satisfy its obligations under this Section 3.6.

3.7 Lessee shall not place, affix, or maintain any signs, banners, advertising placards, names, insignia, trademarks, descriptive material, or any other similar item or items in, on, or attached to the Leased Premises. Violation of this provision will result in a fee/fine owed to the City of \$300 per day for any offense/infracton by the Lessee. Said fee/fine shall be payable within fifteen (15) days of notice of the offense/infracton from the City.

3.8 Lessee shall be solely responsible for the security of and within the temporary Improvements and the Leased Premises, including, without limitation, for the security of Lessee, and its officers, directors, employees, patients, students, agents, assigns, friends, guests, invitees, or any other person or party engaged in activities in any way relating to the Improvements. The security described above shall be provided for and be the sole responsibility of Lessee. Any and all activities relating to, on, or within any and all areas of the Leased Premises and Improvements shall be the sole responsibility of the Lessee.

3.9 This lease is entered into with the express understanding that no alcohol is to be sold, served, or consumed on the Leased Premises.

3.10 Prior to the signing of this Lease, Lessee has verified to its satisfaction that the intended use of the Leased Premises complies with all applicable zoning laws, regulations, ordinances, and all other city, state, and federal laws.

annual aggregate of \$2,000,000. The Insurance Services Office (ISO) Commercial General Liability occurrence coverage form CG 00 01 (current form approved for use in Louisiana), or similar acceptable to the City, is to be used in the policy.

If the Lessee maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Lessee. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

4.1.2. DEDUCTIBLES AND SELF-INSURED RETENTIONS

Any deductibles or self-insured retentions must be declared to and accepted by the City. The Lessee shall be solely responsible for all deductibles and self-insured retentions.

4.1.3. OTHER INSURANCE PROVISIONS

The policies are to contain, or be endorsed to contain, the following provisions:

- a. Commercial General Liability. The City, its officers, agents, employees and volunteers shall be named as an additional insured on the Lessee's Commercial General Liability Policy as regards negligence of the Lessee and liability arising out of the use of and operations within the Leased Premises by Lessee. ISO Form CG 20 10 (for ongoing work), or equivalent, is to be used when applicable during construction. ISO Form Endorsement Additional Insured—Owners, Lessees or Contractors—Completed Operations (CG 20 37), or equivalent acceptable to the City, is to be used to provide additional coverage for injury or damage that occurs after the work is completed—work that is included within the “products-completed operations hazard.” ISO Form Additional Insured—Managers or Lessors of Premises (CG 20 11), or equivalent acceptable to the City, is also to be used.

The coverage shall contain no special limitations on the scope of protection afforded to the

City.

- b. The Lessee's insurance shall be primary coverage, at least as broad as ISO Form CG 20 01 04 13, as respects the City, its officers, agents, employees and volunteers. Any insurance or self-insurance maintained by the City shall be excess and non-contributory of the Lessee's insurance.
- c. Contractor and its insurers agree to waive any right of subrogation which any insurer may acquire against the City by virtue of the payment of any loss under insurance required by this contract.
- d. Workers Compensation and Employers Liability Coverage

To the fullest extent allowed by law, the insurer shall agree to waive all rights of subrogation against the City, its officers, agents, employees and volunteers for losses arising from work performed by the Lessee.
- f. All Coverages
 - i. Each insurance policy required above shall provide that coverage shall not be canceled, except with prior notice to the City of no less than 60 days.
 - ii. The acceptance of payment, failure of the City to require proof of compliance, or City's acceptance of a non-compliant certificate of insurance shall not release the Lessee from the obligations of the insurance requirements or indemnification agreement.
 - iii. The insurance companies issuing the policies shall have no recourse against the City for payment of premiums or for assessments under any form of the policies.
 - iv. Any failure of the City to comply with reporting provisions of the policy shall not affect coverage provided to the City, its officers, agents, employees and volunteers.

- g. The obligations for Lessor to procure and maintain insurance shall not be constructed to waive or restrict other obligations. It is understood that neither failure to comply nor full compliance with the foregoing insurance requirements shall limit or relieve Lessor from any liability as a result of their activities/operations in conjunction with this Lease.

4.1.4. ACCEPTABILITY OF INSURERS

All required insurance shall be provided by a company or companies lawfully authorized to do business in Louisiana. Insurance is to be placed with insurers licensed and authorized to do business in the State of Louisiana with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City. If at any time an insurer issuing any such policy does not meet the minimum A.M. Best rating, the Lessee shall obtain a policy with an insurer that meets the A.M. Best rating and shall submit another Certificate of Insurance within 30 days.

4.1.5. VERIFICATION OF COVERAGE

- a. Lessee shall furnish the City with Certificates of Insurance reflecting proof of required coverage. The Certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The Certificates are to be received and approved by the City before work commences and upon any contract renewal or insurance policy renewal thereafter.

- b. The Certificate Holder shall be listed as follows and be delivered via US Mail to:

City of New Orleans
Division of Real Estate and Records
1300 Perdido Street, Room 5W06
New Orleans, Louisiana 70112.

- c. In addition to the Certificates, Lessee shall submit the declarations page for each insurance policy and copies of all required Additional Insured Endorsements. The City reserves the right to request complete certified copies of all required insurance policies at any time.

- d. Upon failure of the Lessee to furnish, deliver, and maintain required insurance, this contract, at the election of the City, may be suspended, discontinued, or terminated. Failure of the Lessee to purchase and/or maintain any required insurance shall not relieve the Lessee from any liability or indemnification under the contract.

4.1.6. INDEMNIFICATION/HOLD HARMLESS AGREEMENT

- a. Lessee agrees to protect, defend, indemnify, save, and hold harmless, the City of New Orleans and its officers, directors, officials, agents, servants, employees, advisors, consultants, contractors, subcontractors, volunteers, or other representatives (collectively, the "City Indemnitees"), from and against any and all claims, demands, lawsuits, actions, damages, expenses, and liability for injury or death to any person, including, without limitation, employees, patients, students, and invitees of Lessee or employees of the City, or the damage, loss, or destruction of any property, including, without limitation, property of either Lessee or the City, or other loss or damage incurred by Lessee, which may occur, arise out of, or in any way relate to: (i) the acts, omissions, or misconduct of the Lessee, its employees, agents, servants, officers, directors, patients, visitors, students, contractors, or subcontractors; (ii) the breach by the Lessee of any of its obligations under this Lease; (iii) or the operations within and use of the Leased Premises by Lessee, its employees, agents, servants, officers, directors, patients, visitors, students, contractors, or subcontractors. The obligation to indemnify shall extend to and encompass all costs incurred by the City and any City Indemnatee in defending such claim, demand, lawsuit, action, or liability, including, without limitation, attorney, witness, and expert witness fees, and any other litigation related expenses.

- b. Lessee's obligations pursuant to this Section 4.1.6 will not extend to those claims, demands, suits, or causes of action arising out of the gross negligence of the City of New Orleans and its officers, agents, servants, employees, and volunteers.
- c. The Lessee has an immediate and independent obligation to, at the City's option: (a) defend the City and City Indemnitees from or (b) reimburse the City and City Indemnitees for their costs incurred in the defense of any claim, lawsuit, action, damage, expense, or liability that actually or potentially falls within this indemnity, even if: (i) the allegations are or may be groundless, false, or fraudulent; or (ii) the Lessee is ultimately absolved from liability.

4.2 At the end of every five (5) years there shall be a revaluation of the coverage amount of the comprehensive general liability insurance policy and excess/umbrella liability policy by the City and the Lessee to determine if the limits are adequate. If the City determines that the limits shall be raised, the Lessee shall implement such change within forty-five (45) days after its receipt of the written request from the City.

V. DEFAULT

5.1 Conditions of Default: The following are conditions that constitute default under this Lease:

- a. If Lessee fails to pay rent on or before the due date or fulfill any other monetary obligations of Lessee to City, and Lessee fails to cure such monetary default within ten (10) working days after written notice from City to Lessee of such monetary default.
- b. If Lessee fails to perform any of its other non-monetary obligations (including, without limitation, safety, permits, traffic study, structural reports, repair, or maintenance of Leased Premises) under this Lease when due or called for, and fails to cure such non-monetary default within fifteen (15) working days after written notice from the City; provided, however,

that if the nature of the non-monetary default is the result of a force majeure occurrence or is otherwise of a nature such that it cannot be fully cured within that fifteen (15) day period, Lessee shall have such additional time as is reasonably necessary to cure the default so long as Lessee is proceeding diligently to complete the necessary cure.

c. If Lessee shall be adjudged bankrupt, or a receiver be appointed for Lessee's property, or if Lessee's interest in this Lease shall pass by operation of law to any person or legal entity other than Lessee, or on the occurrence of dissolution, financial failure, or insolvency, and such adjudication, appointment, or order is not vacated, dismissed, or set aside within thirty (30) days from its entry.

5.2 Remedies for Default: If any of the conditions of default outlined above in Section 5.1 are found to exist, then the City's remedies are as follows:

a. If the reason for default is a late payment of rent by Lessee to the City, a penalty amount shall be added to rent payment. A payment is considered to be late if it is not paid to the City as required in Section II of this Lease. Commencing the first day after the due date, for every seven (7) calendar day period in which the City is not paid, a penalty amount of 15% of the amount then due will be assessed. Acceptance by the City of a portion of the amount due does not resolve the underpayment and/or tardiness of payment and the late payment shall continue to accrue at 15% for every seven (7) days the entire amount due is not remitted to the City. Additionally, if the rent to the City is thirty (30) days past due, the City reserves its ability to exercise all of the remaining remedies set forth under Section 5.2 (b) of this Lease.

b. For all other conditions of default, or as otherwise provided in Subsection 5.2(a), if Lessee does not cure the default, the City may: (i) elect to terminate this Lease immediately and seek all remedies as provided under law and equity, or (ii) demand that the rent for the entire unexpired term of this Lease shall accelerate and at once become due, without the necessity of

putting Lessee in default, together with all past due installments, costs, attorneys' fees, and right to possession.

c. If, upon the occurrence of a condition of default, the City elects to continue the Lease and so informs Lessee in writing, City will retain the right to recover rent and all other payments at such time as they become due under this Lease, and Lessee may not assign its interest in the Lease pursuant to Section VI of this Lease.

d. If the City elects to terminate this Lease for failure by Lessee to cure any of the conditions of default, Lessee expressly assumes one hundred percent (100%) of the financial obligations associated with the demolition and timely removal of the Improvements. Notwithstanding the foregoing, for a period of ninety (90) days following the expiration or earlier termination of this Lease, Lessee shall have the right to access the Leased Premises solely for the purpose of removing the Improvements in accordance with the applicable terms and conditions of the Lease. Lessee shall be responsible for all costs, labor, permits, and any other expenses related to or involved in the removal of the Improvements and any related or ancillary equipment.

e. If the City at any time by reason of Lessee's default pays any sum or does any act that requires payment of any sum, the sum paid by the City shall be immediately due and owing by Lessee to the City at the time the sum is paid; and, if paid by Lessee at a later date, shall bear interest at the rate of ten (10%) percent per annum commencing from the date the sum is paid by the City.

f. If the City institutes legal proceedings to enforce any of its rights or remedies under this Lease, then the City shall be entitled to a recovery of attorneys' fees, costs, and other expenses reasonably incurred by way of such action.

g. All rights and remedies provided under this Lease are cumulative and may be

pursued singularly, or in any combination, and in any order. Further, City shall have the right to pursue any one or all such remedies that may be provided in law or equity.

h. The failure to enforce any of the terms of this Lease will in no event be deemed a waiver of the right to enforce the terms and provisions at a later time.

VI. ASSIGNMENT

6.1 Except as herein provided, Lessee may not assign this Lease in whole or in part, nor sublet all or any portion of the Leased Premises or Improvements, without the prior written consent of City, which shall not be unreasonably withheld, conditioned, or delayed. Notwithstanding the foregoing, such consent shall not be required if such assignment or sublease is from Lessee to a wholly-owned subsidiary of Lessee or to a wholly-owned subsidiary of Lessee's parent, if any.

6.2 The consent by City to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting.

6.3 No assignment, under letting, occupancy, or collection shall be deemed acceptance of the assignee, subtenant, or occupant as Lessee. Similarly, no assignment, under letting, occupancy, or collection shall be deemed a release of Lessee from further performance by Lessee of the covenants and requirements of this Lease on the part of Lessee, including, but not limited to the provisions of Sections II and III.

6.4 This prohibition against assignment or subleasing includes those by operation of law, legal process, receivership, bankruptcy, or otherwise, whether voluntary or involuntary.

6.5 The City, by its acceptance hereof, acknowledges that Lessee may mortgage or collaterally assign its interest in and to this Lease and the leasehold estate created hereunder to institutional lenders providing financing to Lessee, to Lessee's parent, if any, or to any subsidiary or affiliate of Lessee. Lessee shall remain fully liable on this Lease and shall not be released from performing

any of the terms, covenants, and conditions hereof or any rents or other sums to be paid hereunder.

6.6 Notwithstanding anything to the contrary contained in this Lease, any assignment in contravention of this Section shall not constitute a default under this Lease but shall be null, void, and unenforceable.

VII. ESTOPPEL CERTIFICATION

7.1 Either party shall, without charge, and at any time, within thirty (30) days after written request of the other, certify by written instrument duly executed and acknowledged to any mortgagee or purchaser, or proposed mortgagee or proposed purchaser, or any other person, firm, or corporation specified in such request: (a) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (b) as to the validity of the Lease and that the Lease is in full force and effect; (c) as to the existence of any default hereunder; (d) as to the existence of any offsets, counterclaims, or defenses hereto on the part of such other party; (e) as to the commencement and expiration dates of the terms of this Lease and whether there are any remaining options to extend the Lease; and (f) as to any other matters as may reasonably be so requested. Any such certificate may be relied upon by the party requesting it and any other person, firm, or corporation to whom the same may be exhibited or delivered, and the contents of such certificate shall be binding on the party executing same.

VIII. NOTICE

8.1 All notices, demands, and requests which may or are required to be given by either party to the other shall be in writing. All notices, demands, and requests by the City to Lessee shall be deemed to have been properly given if served personally on Lessee or if sent by United States Postal Service, registered mail, postage prepaid, addressed as follows:

As such, Lessee has had the opportunity to thoroughly inspect the Leased Premises and is fully aware of any actual or potential defects or deficiencies of the Leased Premises. Accordingly, Lessee accepts possession of the Lease Premises “as-is, where-is” and without any warranty whatsoever. Lessee further hereby expressly and explicitly agrees to cooperate with the Inspector General in any investigation, audit, inspection, performance review, or hearing pursuant to said chapter.

10.2 Creature of Government: It is understood and agreed that the City, as a creature of government, may in the future have need of part or all of the Leased Premises, herein leased, for necessary public purposes. The City therefore retains the right to cancel and to remove from this Lease any portion of the Leased Premises which is needed for said necessary public purposes upon giving Lessee 60 (sixty) days written notice. Further, the City agrees to meet with Lessee in order

to discuss the necessity of any such cancellation, and to explore any available alternatives to such cancellation prior to the issuance of any such notice. In the event a partial cancellation is required, all rent thereafter shall be adjusted proportionately to the amount of the property removed from the Lessee's quiet possession, and the Lease shall continue to be valid and enforceable, in all its terms and conditions as to the remainder of the Leased Premises not canceled for necessary public purposes.

10.3 Convicted Felon Statement: The Lessee complies with §2-8(c) of the Code of the City and no principal or official of the Lessee has, within the preceding five years, pled guilty to or been convicted of a felony under state or federal statutes for embezzlement, theft of public records, bribery, falsification or destruction of public records, and/or receiving stolen property.

10.4 Non-Solicitation Statement: Lessee has not employed or retained any company or person, other than a bona fide employee working solely for him, to solicit or secure the subject contract. 11.4 Lessee shall pay for all utilities consumed by Lessee in the Leased Premises, including, without limitation, electricity, gas, water, telephone service, cable, internet, or any other similar service.

11.5 Lessee shall pay all real estate taxes and assessments imposed upon the Leased Premises, if imposed by any governmental body.

11.6 In the event any one or more of the provisions contained in this agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision, and this agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

11.7 Both parties acknowledge that public and private utilities will be allowed to cross the Leased Premises, if needed, to provide their appropriate services to property within the area.

Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

4.1.2. DEDUCTIBLES AND SELF-INSURED RETENTIONS

Any deductibles or self-insured retentions must be declared to and accepted by the City. The Lessee shall be solely responsible for all deductibles and self-insured retentions.

4.1.3. OTHER INSURANCE PROVISIONS

The policies are to contain, or be endorsed to contain, the following provisions:

- a. Commercial General Liability. The City, its officers, agents, employees and volunteers shall be named as an additional insured on the Lessee's Commercial General Liability Policy as regards negligence of the Lessee and liability arising out of the use of and operations within the Leased Premises by Lessee. ISO Form CG 20 10 (for ongoing work), or equivalent, is to be used when applicable during construction. ISO Form Endorsement Additional Insured—Owners, Lessees or Contractors—Completed Operations (CG 20 37), or equivalent acceptable to the City, is to be used to provide additional coverage for injury or damage that occurs after the work is completed—work that is included within the “products-completed operations hazard.” ISO Form Additional Insured—Managers or Lessors of Premises (CG 20 11), or equivalent acceptable to the City, is also to be used.

The coverage shall contain no special limitations on the scope of protection afforded to the

To the fullest extent allowed by law, the insurer shall agree to waive all rights of subrogation against the City, its officers, agents, employees and volunteers for losses arising from work performed by the Lessee.
- f. All Coverages
 - i. Each insurance policy required above shall provide that coverage shall not be canceled, except with prior notice to the City of no less than 60 days.
 - ii. The acceptance of payment, failure of the City to require proof of compliance, or City's acceptance of a non-compliant certificate of insurance shall not release the Lessee from the obligations of the insurance requirements or indemnification agreement.
 - iii. The insurance companies issuing the policies shall have no recourse against the City for payment of premiums or for assessments under any form of the policies.
 - iv. Any failure of the City to comply with reporting provisions of the policy shall not affect coverage provided to the City, its officers, agents, employees and volunteers.

- g. The obligations for Lessor to procure and maintain insurance shall not be constructed to waive or restrict other obligations. It is understood that neither failure to comply nor full compliance with the foregoing insurance requirements shall limit or relieve Lessor from any liability as a result of their activities/operations in conjunction with this Lease.

4.1.4. ACCEPTABILITY OF INSURERS

All required insurance shall be provided by a company or companies lawfully authorized to do business in Louisiana. Insurance is to be placed with insurers licensed and authorized to do business in the State of Louisiana with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City. If at any time an insurer issuing any such policy does not meet the minimum A.M. Best rating, the Lessee shall obtain a policy with an insurer that meets the A.M. Best rating and shall submit another Certificate of Insurance within 30 days.

4.1.5. VERIFICATION OF COVERAGE

- a. Lessee shall furnish the City with Certificates of Insurance reflecting proof of required coverage. The Certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The Certificates are to be received and approved by the City before work commences and upon any contract renewal or insurance policy renewal thereafter.

- b. The Certificate Holder shall be listed as follows and be delivered via US Mail to:

New Orleans, Louisiana 70112.

- c. In addition to the Certificates, Lessee shall submit the declarations page for each insurance policy and copies of all required Additional Insured Endorsements. The City reserves the right to request complete certified copies of all required insurance policies at any time.

- d. Upon failure of the Lessee to furnish, deliver, and maintain required insurance, this contract, at the election of the City, may be suspended, discontinued, or terminated. Failure of the Lessee to purchase and/or maintain any required insurance shall not relieve the Lessee from any liability or indemnification under the contract.

4.1.6. INDEMNIFICATION/HOLD HARMLESS AGREEMENT

- a. Lessee agrees to protect, defend, indemnify, save, and hold harmless, the City of New Orleans and its officers, directors, officials, agents, servants, employees, advisors, consultants, contractors, subcontractors, volunteers, or other representatives (collectively, the "City Indemnitees"), from and against any and all claims, demands, lawsuits, actions, damages, expenses, and liability for injury or death to any person, including, without limitation, employees, patients, students, and invitees of Lessee or employees of the City, or the damage, loss, or destruction of any property, including, without limitation, property of either Lessee or the City, or other loss or damage incurred by Lessee, which may occur, arise out of, or in any way relate to: (i) the acts, omissions, or misconduct of the Lessee, its employees, agents, servants, officers, directors, patients, visitors, students, contractors, or subcontractors; (ii) the breach by the Lessee of any of its obligations under this Lease; (iii) or the operations within and use of the Leased Premises by Lessee, its employees, agents, servants, officers, directors, patients, visitors, students, contractors, or subcontractors. The obligation to indemnify shall extend to and encompass all costs incurred by the City and any City Indemnatee in defending such claim, demand, lawsuit, action, or liability, including, without limitation, attorney, witness, and expert witness fees, and any other litigation related expenses.

- b. Lessee's obligations pursuant to this Section 4.1.6 will not extend to those claims, demands, suits, or causes of action arising out of the gross negligence of the City of New Orleans and its officers, agents, servants, employees, and volunteers.
- c. The Lessee has an immediate and independent obligation to, at the City's option: (a) defend the City and City Indemnitees from or (b) reimburse the City and City Indemnitees for their costs incurred in the defense of any claim, lawsuit, action, damage, expense, or liability that actually or potentially falls within this indemnity, even if: (i) the allegations are or may be groundless, false, or fraudulent; or (ii) the Lessee is ultimately absolved from liability.

4.2 At the end of every five (5) years there shall be a revaluation of the coverage amount of the comprehensive general liability insurance policy and excess/umbrella liability policy by the City and the Lessee to determine if the limits are adequate. If the City determines that the limits shall be raised, the Lessee shall implement such change within forty-five (45) days after its receipt of the written request from the City.

V. DEFAULT

5.1 Conditions of Default: The following are conditions that constitute default under this Lease:

- a. If Lessee fails to pay rent on or before the due date or fulfill any other monetary obligations of Lessee to City, and Lessee fails to cure such monetary default within ten (10) working days after written notice from City to Lessee of such monetary default.
- b. If Lessee fails to perform any of its other non-monetary obligations (including, without limitation, safety, permits, traffic study, structural reports, repair, or maintenance of Leased Premises) under this Lease when due or called for, and fails to cure such non-monetary default within fifteen (15) working days after written notice from the City; provided, however,

that if the nature of the non-monetary default is the result of a force majeure occurrence or is otherwise of a nature such that it cannot be fully cured within that fifteen (15) day period, Lessee shall have such additional time as is reasonably necessary to cure the default so long as Lessee is proceeding diligently to complete the necessary cure.

c. If Lessee shall be adjudged bankrupt, or a receiver be appointed for Lessee's property, or if Lessee's interest in this Lease shall pass by operation of law to any person or legal entity other than Lessee, or on the occurrence of dissolution, financial failure, or insolvency, and such adjudication, appointment, or order is not vacated, dismissed, or set aside within thirty (30) days from its entry.

5.2 Remedies for Default: If any of the conditions of default outlined above in Section 5.1 are found to exist, then the City's remedies are as follows:

a. If the reason for default is a late payment of rent by Lessee to the City, a penalty amount shall be added to rent payment. A payment is considered to be late if it is not paid to the City as required in Section II of this Lease. Commencing the first day after the due date, for every seven (7) calendar day period in which the City is not paid, a penalty amount of 15% of the amount then due will be assessed. Acceptance by the City of a portion of the amount due does not resolve the underpayment and/or tardiness of payment and the late payment shall continue to accrue at 15% for every seven (7) days the entire amount due is not remitted to the City. Additionally, if the rent to the City is thirty (30) days past due, the City reserves its ability to exercise all of the remaining remedies set forth under Section 5.2 (b) of this Lease.

b. For all other conditions of default, or as otherwise provided in Subsection 5.2(a), if Lessee does not cure the default, the City may: (i) elect to terminate this Lease immediately and seek all remedies as provided under law and equity, or (ii) demand that the rent for the entire unexpired term of this Lease shall accelerate and at once become due, without the necessity of

putting Lessee in default, together with all past due installments, costs, attorneys' fees, and right to possession.

c. If, upon the occurrence of a condition of default, the City elects to continue the Lease and so informs Lessee in writing, City will retain the right to recover rent and all other payments at such time as they become due under this Lease, and Lessee may not assign its interest in the Lease pursuant to Section VI of this Lease.

d. If the City elects to terminate this Lease for failure by Lessee to cure any of the conditions of default, Lessee expressly assumes one hundred percent (100%) of the financial obligations associated with the demolition and timely removal of the Improvements. Notwithstanding the foregoing, for a period of ninety (90) days following the expiration or earlier termination of this Lease, Lessee shall have the right to access the Leased Premises solely for the purpose of removing the Improvements in accordance with the applicable terms and conditions of the Lease. Lessee shall be responsible for all costs, labor, permits, and any other expenses related to or involved in the removal of the Improvements and any related or ancillary equipment.

e. If the City at any time by reason of Lessee's default pays any sum or does any act that requires payment of any sum, the sum paid by the City shall be immediately due and owing by Lessee to the City at the time the sum is paid; and, if paid by Lessee at a later date, shall bear interest at the rate of ten (10%) percent per annum commencing from the date the sum is paid by the City.

f. If the City institutes legal proceedings to enforce any of its rights or remedies under this Lease, then the City shall be entitled to a recovery of attorneys' fees, costs, and other expenses reasonably incurred by way of such action.

g. All rights and remedies provided under this Lease are cumulative and may be

pursued singularly, or in any combination, and in any order. Further, City shall have the right to pursue any one or all such remedies that may be provided in law or equity.

h. The failure to enforce any of the terms of this Lease will in no event be deemed a waiver of the right to enforce the terms and provisions at a later time.

VI. ASSIGNMENT

6.1 Except as herein provided, Lessee may not assign this Lease in whole or in part, nor sublet all or any portion of the Leased Premises or Improvements, without the prior written consent of City, which shall not be unreasonably withheld, conditioned, or delayed. Notwithstanding the foregoing, such consent shall not be required if such assignment or sublease is from Lessee to a wholly-owned subsidiary of Lessee or to a wholly-owned subsidiary of Lessee's parent, if any.

6.2 The consent by City to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting.

6.3 No assignment, under letting, occupancy, or collection shall be deemed acceptance of the assignee, subtenant, or occupant as Lessee. Similarly, no assignment, under letting, occupancy, or collection shall be deemed a release of Lessee from further performance by Lessee of the covenants and requirements of this Lease on the part of Lessee, including, but not limited to the provisions of Sections II and III.

6.4 This prohibition against assignment or subleasing includes those by operation of law, legal process, receivership, bankruptcy, or otherwise, whether voluntary or involuntary.

6.5 The City, by its acceptance hereof, acknowledges that Lessee may mortgage or collaterally assign its interest in and to this Lease and the leasehold estate created hereunder to institutional lenders providing financing to Lessee, to Lessee's parent, if any, or to any subsidiary or affiliate of Lessee. Lessee shall remain fully liable on this Lease and shall not be released from performing

any of the terms, covenants, and conditions hereof or any rents or other sums to be paid hereunder.

6.6 Notwithstanding anything to the contrary contained in this Lease, any assignment in contravention of this Section shall not constitute a default under this Lease but shall be null, void, and unenforceable.

VII. ESTOPPEL CERTIFICATION

7.1 Either party shall, without charge, and at any time, within thirty (30) days after written request of the other, certify by written instrument duly executed and acknowledged to any mortgagee or purchaser, or proposed mortgagee or proposed purchaser, or any other person, firm, or corporation specified in such request: (a) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (b) as to the validity of the Lease and that the Lease is in full force and effect; (c) as to the existence of any default hereunder; (d) as to the existence of any offsets, counterclaims, or defenses hereto on the part of such other party; (e) as to the commencement and expiration dates of the terms of this Lease and whether there are any remaining options to extend the Lease; and (f) as to any other matters as may reasonably be so requested. Any such certificate may be relied upon by the party requesting it and any other person, firm, or corporation to whom the same may be exhibited or delivered, and the contents of such certificate shall be binding on the party executing same.

VIII. NOTICE

8.1 All notices, demands, and requests which may or are required to be given by either party to the other shall be in writing. All notices, demands, and requests by the City to Lessee shall be deemed to have been properly given if served personally on Lessee or if sent by United States Postal Service, registered mail, postage prepaid, addressed as follows:

Accordingly, Lessee accepts possession of the Lease Premises “as-is, where-is” and without any warranty whatsoever. X. MANDATORY CITY LEASE PROVISIONS

10.1 Inspector General Statement: This section is intended to meet the statement requirements regarding the City of New Orleans Office of Inspector General, as codified in the Code of the City of New Orleans Chapter 2, Article XIII, Section 1120 (20)[Section 2-1120 (20)], as per Ordinance No. 24395 M.C.S. Lessee will abide by all provisions of City Code Section 2-1120, including but not limited to City Code Section 2-1120 (12), which requires the Lessee to provide the Office of Inspector General with documents and information as requested as related to this contract. Failure to comply with such requests shall constitute a material breach of the contract. In signing this contract, the Lessee agrees that it is subject to the jurisdiction of the Orleans Parish Civil District Court for purposes of challenging a subpoena. Lessee further hereby expressly and explicitly agrees to cooperate with the Inspector General in any investigation, audit, inspection, performance review, or hearing pursuant to said chapter.

10.2 Creature of Government: It is understood and agreed that the City, as a creature of government, may in the future have need of part or all of the Leased Premises, herein leased, for necessary public purposes. The City therefore retains the right to cancel and to remove from this Lease any portion of the Leased Premises which is needed for said necessary public purposes upon giving Lessee 60 (sixty) days written notice. Further, the City agrees to meet with Lessee in order

to discuss the necessity of any such cancellation, and to explore any available alternatives to such cancellation prior to the issuance of any such notice. In the event a partial cancellation is required, all rent thereafter shall be adjusted proportionately to the amount of the property removed from the Lessee's quiet possession, and the Lease shall continue to be valid and enforceable, in all its terms and conditions as to the remainder of the Leased Premises not canceled for necessary public purposes.

10.3 Convicted Felon Statement: The Lessee complies with §2-8(c) of the Code of the City and no principal or official of the Lessee has, within the preceding five years, pled guilty to or been convicted of a felony under state or federal statutes for embezzlement, theft of public records, bribery, falsification or destruction of public records, and/or receiving stolen property.

10.4 Non-Solicitation Statement: Lessee has not employed or retained any company or person, other than a bona fide employee working solely for him, to solicit or secure the subject contract. Lessee has not paid or agreed to pay any person, other than a bona fide employee working for him, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the subject contract.

11.2 Lessee shall pay the cost of promulgation of the Ordinance authorizing this Lease.

11.3 The covenants and agreements contained in this Lease shall bind and inure to the benefit of the parties hereto and their respective successors and assigns.

11.4 Lessee shall pay for all utilities consumed by Lessee in the Leased Premises, including, without limitation, electricity, gas, water, telephone service, cable, internet, or any other similar service.

11.5 Lessee shall pay all real estate taxes and assessments imposed upon the Leased Premises, if imposed by any governmental body.

11.6 In the event any one or more of the provisions contained in this agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision, and this agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

11.7 Both parties acknowledge that public and private utilities will be allowed to cross the Leased Premises, if needed, to provide their appropriate services to property within the area.
