New Orleans, Louisiana 70112

G. Compliance Monitoring. Covered Employers under this Agreement are subject to compliance monitoring and enforcement of the Living Wage requirements by the Office of Workforce Development (the “**OWD**”) and/or the Chief Administrative Office (“**CAO**”). Covered Employers will cooperate fully with the OWD and/or the CAO and other City employees and agents authorized to assist in the administration and enforcement of the Living Wage requirements. Steps and actions include, but are not limited to, requirements that: (i) the Contractor will cooperate fully with the OWD and the CAO and other City employees and agents authorized

to assist in the administration and enforcement of the Living Wage requirements; (ii) the Contractor agrees that the OWD and the CAO and their designees, in the performance of their duties, shall have the right to engage in random inspections of job sites and to have access to the employees of the Contractor, payroll records and employee paychecks; and (ii) that the City may audit such records of the Contractor as he or she reasonably deems necessary to determine compliance with the Living Wage standards.

H. Remedies. If the Contractor fails to comply with the Living Wage requirements during the term of the Agreement, said failure may result in termination of the Agreement or the pursuit of other remedies by the City, including, but not limited to, the penalties and enforcement mechanisms set forth in Section 70-811 of the City Code.

ARTICLE IX - DISADVANTAGED BUSINESS ENTERPRISE (“DBE”) PROGRAM

A. In General. The Contractor agrees to abide by the City Code Sections 70-456, *et seq.*, to use its best efforts to carry out all applicable requirements of the City’s DBE Program for the administration of this Agreement, as set forth in the City Code and any applicable rules adopted thereunder. The City’s Office of Supplier Diversity (“OSD”) oversees the DBE Program and assigns a DBE Compliance Officer (“DBECO”) to ensure compliance.

B. Monitoring. To ensure compliance with DBE requirements during the term of this Agreement, the DBECO will monitor the Contractor’s use of DBE subcontractors/suppliers (“DBE Entities”) through the following actions:

1. Job site visits;
2. Electronic payment tracking via the Contract Compliance Monitoring System or other means as approved by the OSD;
3. Routine audits of contract payments to all subcontractors;
4. Reviewing of records and reports; and/or
5. Interviews of selected personnel.

The DBECO may schedule inspections and on-site visits with or without prior notice to the Contractor or DBE Entities.

C. Cooperation. The Contractor shall:

1. Designate an individual as the “DBE Liaison” who will monitor the Contractor’s DBE participation as well as document and maintain records of “Good Faith Efforts” with DBE Entities.
2. Execute written contracts with DBE Entities that meet the applicable DBE goals.
 - a. The Contractor shall provide the DBECO with copies of said contracts within 30 days from the date this Agreement is fully executed between the City and the Contractor.
 - b. The Contractor shall agree to promptly pay subcontractors, including DBE Entities, in accordance with law.
3. Establish and maintain the following records for review upon request by the OSD:
 - a. Copies of written contracts with DBE Entities and purchase orders;
 - b. Documentation of payments and other transactions with DBE Entities;

- c. Appropriate explanations of any changes or replacements of DBE Entities, which may include a record of “Post-Award Good Faith Efforts” for each certified firm that the Contractor does not use in accordance with the approved DBE participation submission;
- d. Any other records required by the OSD.

The Contractor is required to maintain such records for 3 years after completion or closeout of this Agreement. Such records are necessary to determine compliance with their DBE obligations.

- 4. Post monthly payments and submit regular reports to the DBECO as required via the online “Contract Compliance Monitoring System” or other means approved by the OSD.
 - a. The Contractor shall submit the initial report outlining DBE participation within 30 days from the date of notice to proceed (or equivalent document) issued by the City to the Contractor. Thereafter, “DBE Utilization” reports shall be due on or before the fifteenth day of each month until all DBE subcontracting work is completed.
 - b. Reports are required even when no activity has occurred in a monthly period.
 - c. If the established percentage is not being met, the monthly report shall include a narrative description of the progress being made in DBE participation.
 - d. The Contractor may also be required to attach or upload copies of canceled checks or bank statements that identify payer, payee, and amount of transfer to verify payment information as indicated on the form.
- 5. Conform to the established percentage as approved by the OSD.
 - a. The total dollar amount of the Agreement shall include approved change orders and amendments. For a requirements contract, the total dollar amount shall be based in actual quantities ordered.
 - b. No changes to the established percentage and DBE Entities submitted on DBE Compliance Form-1 shall be allowed without approval by the OSD.
 - c. The City will not adjust the contract for any increase in cost due to replacement of DBE Entities.

D. Post-Award Modification. The OSD may grant a post-award modification request if:

- a. for a reason beyond the Contractor’s control, the Contractor is unable to use the certified DBE entity submitted on DBE Compliance Form-1 to perform the specified work. The Contractor must notify the OSD of the intent for removal and substitution of a certified DBE immediately upon determination of that the DBE submitted on Compliance Form -1 is unable to perform the specified work. In such case, the Contractor shall use and document “Good Faith Efforts” to find a similarly qualified and certified DBE entity to perform such specified work. The same criteria used for establishing “Good Faith Efforts” in maximizing the participation of DBE

Entities prior to awarding the Agreement will also apply to the substitution of DBE subcontractors during the performance of the Agreement; or

- b. the Contractor reasonably believes that, due to a change of scope, execution of the work in accordance with the directions from the City is unlikely to meet the established percentage or terms. In such case, the Contractor shall use and document “Good Faith Efforts” to achieve a reasonable amount of DBE participation on the remaining work on the Agreement.

ARTICLE X - NON-DISCRIMINATION

A. Equal Employment Opportunity. In all hiring or employment made possible by, or resulting from this Agreement, the Contractor (1) will not discriminate against any employee or applicant for employment because of race, color, religion, sex, gender, age, physical or mental disability, national origin, sexual orientation, creed, culture, or ancestry, and (2) where applicable, will take affirmative action to ensure that the Contractor’s employees are treated during employment without regard to their race, color, religion, sex, gender, age, physical or mental disability, national origin, sexual orientation, creed, culture, or ancestry. This requirement shall apply to, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. All solicitations or advertisements for employees shall state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, gender, age, physical or mental disability, national origin, sexual orientation, creed, culture, or ancestry.

B. Non-Discrimination. In the performance of this Agreement, the Contractor will not discriminate on the basis, whether in fact or perception, of a person's race, color, creed, religion, national origin, ancestry, age, sex, gender, sexual orientation, gender identity, domestic partner status, marital status, physical or mental disability, or AIDS- or HIV-status against (1) any employee of the City working with the Contractor in any of Contractor’s operations within Orleans Parish or (2) any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by the Contractor. The Contractor agrees to comply with and abide by all applicable federal, state, and local laws relating to non-discrimination, including, without limitation, Title VI of the Civil Rights Act of 1964, Section V of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990.

C. Incorporation into Subcontracts. The Contractor will incorporate the terms and conditions of this Article into all subcontracts, by reference or otherwise, and will require all subcontractors to comply with these provisions.

D. Termination for Breach. The City may terminate this Agreement for cause if the Contractor fails to comply with any obligation in this Article, which failure is a material breach of this Agreement.

ARTICLE XI - INDEPENDENT CONTRACTOR

A. Independent Contractor Status. The Contractor is an independent contractor and shall not be deemed an employee, servant, agent, partner, or joint venture of the City and will not hold itself or any of its employees, subcontractors, or agents to be an employee, partner, or agent of the City.

B. Exclusion of Worker’s Compensation Coverage. The City will not be liable to the

Contractor, as an independent contractor as defined in La. R.S. 23:1021(6), for any benefits or coverage as provided by the Worker's Compensation Law of the State of Louisiana. Under the provisions of La. R.S. 23:1034, any person employed by the Contractor will not be considered an employee of the City for the purpose of Worker's Compensation coverage.

C. Exclusion of Unemployment Compensation Coverage. The Contractor, as an independent contractor, is being hired by the City under this Agreement for hire and defined in La. R.S. 23:1472(12)(E), and neither the Contractor nor anyone employed by it will be considered an employee of the City for the purpose of unemployment compensation coverage, which coverage is being hereby expressly waived and excluded by the parties, because: (a) the Contractor has been and will be free from any control or direction by the City over the performance of the services covered by this contract; (b) the services to be performed by the Contractor are outside the normal course and scope of the City's usual business; and (c) the Contractor has been independently engaged in performing the services required under this Agreement prior to the date of this Agreement.

D. Waiver of Benefits. B. Notice. To seek the benefit of this Article, the City must provide notice in writing to the Contractor stating: (1) an event triggering this Article has occurred; (2) the anticipated effect of the Force Majeure event on performance; and (3) the expected duration of the delay, if the Agreement is being suspended.

C. Effect.

1. Upon the occurrence of a Force Majeure event, for which the City has provided required notice, the City may, at its sole discretion:
 - a. Suspend this Agreement for a duration to be set by the City, not to exceed 90 days. During such time of suspension, the Parties will not be liable or responsible for performance of their respective obligations under this Agreement, and there will be excluded from the computation of such period of time any delays directly due to the occurrence of the Force Majeure event. During any such period of suspension, the Contractor must take all commercially reasonable actions to mitigate against the effects of the Force Majeure event and to ensure the prompt resumption of performance when so instructed by the City; or

- b. Terminate this Agreement, either immediately or after one or more periods of suspension, effective on notice to Contractor and without any further compensation due.
2. Notwithstanding Section C(1) above, the obligations relating to making payments when due (for services or materials already provided) and those obligations specified to survive in the Agreement will be unaffected by any suspension or termination.

ARTICLE XIII - NOTICE

B. Effectiveness. Notices are effective when received, except any notice that is not received due to the intended recipient's refusal or avoidance of delivery is deemed received as of the date of the first attempted delivery.

C. Notification of Change. Each Party is responsible for notifying the other in writing, that references this Agreement, of any changes in its address(es) set forth above.

ARTICLE XIV - ADDITIONAL PROVISIONS

A. Amendment. The City's officers and employees are not authorized to request or instruct the Contractor to perform any work beyond the scope or duration of this Agreement in the absence of an executed amendment to this Agreement. No amendment of or modification to this Agreement shall be valid unless and until executed in writing by the duly authorized representatives of both Parties to this Agreement.

B. Assignment. (i) Neither a Contractor nor subcontractor may assign or transfer its rights, duties, or obligations under this Agreement without the prior written consent of the City, which consent must be approved by a resolution of the City Council. (ii) A transfer requiring the

prior written consent of the City, as described in the preceding subsection, shall occur upon a change in ownership of the Contractor or subcontractor. A "change in ownership" shall occur on the date that any one person, or more than one person acting as a group, acquires, directly or indirectly, an aggregate ownership interest in the Contractor or subcontractor that exceeds 50% of the fair market value of the Contractor or subcontractor or 50% of the total voting power of the Contractor or subcontractor. The foregoing shall not apply to the acquisition of additional ownership interests by a person whose ownership interest in the Contractor or subcontractor exceeds 50% of the fair market value of the Contractor or subcontractor or 50% of the total voting power of the contractor or subcontractor as of the effective date of the Agreement.

C. Choice of Law. This Agreement will be construed and enforced in accordance with the laws of the State of Louisiana without regard to its conflict of laws provisions.

D. Compliance with City's Hiring Requirements – Ban the Box.

1. The Contractor agrees to adhere to the City's hiring requirements contained in City Code Sections 2-8(d) and 2-13(a)-(f). Prior to executing this Agreement, the Contractor must provide a sworn statement attesting to its compliance with the City's hiring requirements or stating why deviation from the hiring requirements is necessary.
2. Failure to maintain compliance with the City's hiring requirements through the term of the Agreement, or to provide sufficient written reasons for deviation, is a material breach of this Agreement. Upon learning of any such breach, the City will provide the Contractor notice of noncompliance and allow the Contractor thirty (30) days to come into compliance. If, after providing notice and thirty (30) days to cure, the Contractor remains noncompliant, the City may move to suspend payments to the Contractor, void the Agreement, or take any such legal action permitted by law or this Agreement.
3. This section will not apply to any agreements excluded from the City's hiring requirements by City Code Sections 2-8(d) or (g). Should a court of competent jurisdiction find any part of this section to be unenforceable, the section should be reformed, if possible, so that it is enforceable to the maximum extent permitted by law, or if reformation is not possible, the section should be fully severable and remaining provisions of the Agreement will remain in full force and effect.
4. The Contractor will incorporate the terms and conditions of this Article into all subcontracts, by reference or otherwise, and will require all subcontractors to comply with those provisions.

E. Conflicting Employment. To ensure that the Contractor's efforts do not conflict with the City's interests, and in recognition of the Contractor's obligations to the City, the Contractor will decline any offer of other employment if its performance of this Agreement is likely to be adversely affected by the acceptance of the other employment. The Contractor will promptly notify the City in writing of its intention to accept the other employment and will disclose all possible effects of the other employment on the Contractor's performance of this Agreement. The City will make the final determination whether the Contractor may accept the other employment.

F. Construction of Agreement. Neither Party will be deemed to have drafted this Agreement. This Agreement has been reviewed by all Parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of all Parties. No term of this Agreement shall be construed or resolved in

favor of or against the City or the Contractor on the basis of which Party drafted the uncertain or ambiguous language. The headings and captions of this Agreement are provided for convenience only and are not intended to have effect in the construction or interpretation of this Agreement. Where appropriate, the singular includes the plural and neutral words and words of any gender shall include the neutral and other gender.

G. Cost Recovery. In accordance with Section 2-8.1 of the Municipal Code entitled “Cost recovery in contracts, cooperative endeavor agreements, and grants,” to the maximum extent permitted by law, the Contractor shall reimburse the City or disgorge anything of value or economic benefit received from the City if the Contractor fails to meet its contractual obligations.

H. Entire Agreement. This Agreement, including all incorporated documents, constitutes the final and complete agreement and understanding between the Parties. All prior and contemporaneous agreements and understandings, whether oral or written, are superseded by this Agreement and are without effect to vary or alter any terms or conditions of this Agreement.

K. Jurisdiction. The Contractor consents and yields to the jurisdiction of the State Civil Courts of the Parish of Orleans and formally waives any pleas or exceptions of jurisdiction on account of the residence of the Contractor.

L. Limitations of the City’s Obligations. The City has no obligations not explicitly set forth in this Agreement, any incorporated documents, or expressly imposed by law.

M. No Third-Party Beneficiaries. This Agreement is entered into for the exclusive benefit of the Parties and the Parties expressly disclaim any intent to benefit anyone not a party to this Agreement.

N. Non-Exclusivity. This Agreement is non-exclusive and the Contractor may provide services to other clients, subject to the City’s approval of any potential conflicts with the performance of this Agreement, and the City may engage the services of others for the provision of some or all of the work to be performed under this Agreement.

O. Non-Waiver. The failure of either Party to insist upon strict compliance with any provision of this Agreement, to enforce any right, or to seek any remedy upon discovery of any default or breach of the other Party at such time as the initial discovery of the existence of such noncompliance, right, default, or breach shall not affect or constitute a waiver of either Party’s right to insist upon such compliance, exercise such right, or seek such remedy with respect to that default or breach, or any prior, contemporaneous, or subsequent default or breach.

P. Ownership Interest Disclosure. The Contractor will provide a sworn affidavit listing all natural or artificial persons with an ownership interest in the Contractor and stating that no other person holds an ownership interest in the Contractor via a counter letter. For the purposes of this provision, an “ownership interest” shall not be deemed to include ownership of stock in a publicly traded corporation or ownership of an interest in a mutual fund or trust that holds an interest in a publicly traded corporation. If the Contractor fails to submit the required affidavits,

the City may, after 30 days' written notice to the Contractor, take such action as may be necessary to cause the suspension of any further payments until the required affidavits are submitted.

Q. Ownership of Records. Upon final payment, all data collected and all products of work prepared, created, or modified by Contractor in the performance of this Agreement, including without limitation any and all notes, tables, graphs, reports, files, computer programs, source code, documents, records, disks, original drawings, or other such material, regardless of form and whether finished or unfinished, but excluding the Contractor's personnel and administrative records and any tools, systems, and information used by the Contractor to perform the services under this Agreement, including computer software (object code and source code), know-how, methodologies, equipment, and processes and any related intellectual property (collectively, "Work Product") will be the exclusive property of City and the City will have all right, title, and interest in any Work Product, including, without limitation, the right to secure and maintain any copyright, trademark, or patent of Work Product in the City's name. No Work Product may be reproduced in any form without the City's express written consent. The City may use and distribute any Work Product for any purpose the City deems appropriate without the Contractor's consent and for no additional consideration to the Contractor.

R. Prohibition of Financial Interest in Agreement. No elected official or employee of the City shall have a financial interest, direct or indirect, in this Agreement. For purposes of this provision, a financial interest held by the spouse, child, or parent of any elected official or employee of the City shall be deemed to be a financial interest of such elected official or employee of the City. Any willful violation of this provision, with the expressed or implied knowledge of Contractor, shall render this Agreement voidable by the City and shall entitle the City to recover, in addition to any other rights and remedies available to the City, all monies paid by the City to Contractor pursuant to this Agreement without regard to Contractor's otherwise satisfactory performance of the Agreement.

S. Prohibition on Political Activity. None of the funds, materials, property, or services provided directly or indirectly under the terms of this Agreement shall be used in the performance of this Agreement for any partisan political activity, or to further the election or defeat of any candidate for public office.

T. Remedies Cumulative. No remedy set forth in the Agreement or otherwise conferred upon or reserved to any Party shall be considered exclusive of any other remedy available to a Party. Rather, each remedy shall be deemed distinct, separate and cumulative and each may be exercised from time to time as often as the occasion may arise or as may be deemed expedient.

U. Severability. Should a court of competent jurisdiction find any provision of this Agreement to be unenforceable as written, the unenforceable provision should be reformed, if possible, so that it is enforceable to the maximum extent permitted by law or, if reformation is not possible, the unenforceable provision shall be fully severable and the remaining provisions of the Agreement remain in full force and effect and shall be construed and enforced as if the unenforceable provision was never a part the Agreement.

V. Special Conditions for Solid Waste Infrastructure for Recycling Contracts. The "Non-Federal Entity Compliance Provisions for Federal Awards," attached as Exhibit "C" to this Agreement, are expressly incorporated into the Agreement and effectively immediately if the City has indicated it will or may seek reimbursement from the Solid Waste Infrastructure for Recycling program in the procurement documents or upon the City's notice to the Contractor that the City intends to seek reimbursement from the Solid Waste Infrastructure for Recycling Program in connection with the work to be performed under this Agreement.

W. Subcontractor Reporting. The Contractor will provide a list of all natural or artificial persons who are retained by the Contractor at the time of the Agreement's execution and who are expected to perform work as subcontractors in connection with the Contractor's work for the City. For any subcontractor proposed to be retained by the Contractor to perform work on the Agreement with the City, the Contractor must provide notice to the City within 30 days of retaining that subcontractor. If the Contractor fails to submit the required lists and notices, the City may, after thirty 30 days' written notice to the Contractor, take any action it deems necessary, including, without limitation, causing the suspension of any payments, until the required lists and notices are submitted.

X. Survival of Certain Provisions. All representations, warranties, and obligations concerning records retention, inspections, audits, ownership, indemnification, payments, remedies, jurisdiction, and choice of law shall survive the expiration, suspension, or termination of this Agreement and continue in full force and effect.

Y. Terms Binding. The terms and conditions of this Agreement are binding on any heirs, successors, transferees, and assigns.

NON-FEDERAL ENTITY COMPLIANCE PROVISIONS FOR FEDERAL AWARDS

The Contractors are advised that this Project is to be funded by EPA. Notwithstanding any provision of the Agreement to the contrary, the following terms and conditions:

EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant

thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon

contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses

to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

COMPLIANCE WITH THE CONTRACT WORK HOURS AND SAFETY STANDARDS ACT.

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.
